Amour

Amour is a leading importer of nail care products, including manicure, pedicure, gel polish, electrical equipment, and more.

We operate with full transparency towards our customers and in compliance with the strict standards and certifications accepted in Israel.

The company focuses on sourcing, developing, and marketing innovative products, combining advanced technologies with breakthrough solutions from the international market.

Our product range includes a wide variety of professional solutions, suitable for both professionals and private users.

We place strong emphasis on quality, performance, and delivering the highest level of user experience.

Magic Callus Spray

A unique formula for fast and effective removal of dead skin from the feet.

Suitable for both professional and home use.

No Pre-soaking required and free from aggressive acids. Provides extended working time and an easy, comfortable user experience — a clear competitive advantage in the market.

Available in 100 / 250 ml sizes.

Magic Cream

A therapeutic cream designed to help restore deep cracks and extreme dryness in the feet.

Enriched with camel milk, known for its nourishing properties that support deep hydration, skin renewal, and maintenance. Suitable for daily use.

Twist Care

Body lotion enriched with hyaluronic acid.
Absorbs quickly.
Does not leave a greasy feel on the skin.

Provides intense hydration, elasticity, and long-lasting softness.

Available in 4 shades, 3 fragrances, and a unique collagen-enriched version.

Magic Mask Collagen

A deep repair hair mask for dry, damaged, and weakened hair. Provides intense hydration, softness, and shine from the very first use.

Reduces static, detangles, and improves hair elasticity. Suitable for both professional and home use, for healthy, smooth, and vibrant hair.

Bubbles

A rich foam for fast and professional cleansing of hands and feet. Effectively removes grease, dirt, and color residues. Helps maintain skin moisture and softness.

The gentle tea tree fragrance creates a refreshing user experience. Suitable for manicure, pedicure, and daily use in salons and at home.

SHINY

Hydration, shine, and a luxurious fragrance in one product.
A spray that provides a perfect glossy finish to the nails and
a professional finish to the hands.

Long-lasting fragrance inspired by fabric softener, delivering a
fresh feeling over time.

Ideal for finishing treatments, photographing nail work, and
everyday use.

SUGAR SCRUB

A sugar scrub that provides gentle cleansing and skin renewal.

Removes dead skin cells, smooths, and softens the skin from the very first use.

A unique gel texture suitable for dry skin and does not scratch the skin.

Leaves the skin with an even appearance, freshness, and a natural glow over time.

Nail Dissolver

Advanced gel remover by AMOUR for fast, effective, and convenient removal of gel polish and rubber base.

The formula combines active solvents that soften and break down gel layers, reducing the need for aggressive filing or peeling.

Enriched with aloe vera, vitamin E, and calcium to help maintain moisture, comfort, and a healthy-looking nail and cuticle area.

Designed for professional use, allowing a cleaner, more controlled, and gentler removal process on the natural nail.

For best results, follow the recommended soaking time and finish with cuticle oil or hand cream.

Pink Laser Foot File

Pink laser foot file.

Enables professional, precise, and hygienic foot filing. Made of high-quality stainless steel with an ergonomic design for a perfect grip and full control.

Coarse side for fast removal and a fine side for smooth finishing of the skin.

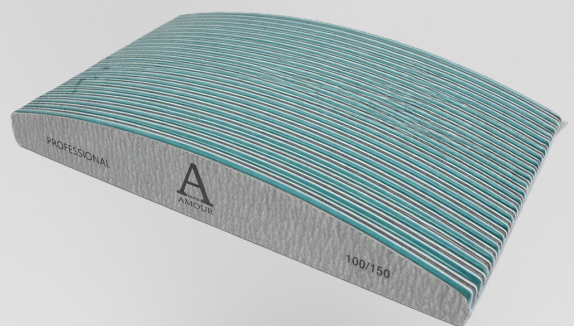

Suitable for professional pedicure and home use.
Easy to clean and disinfect.
